# RAMBLER

## *Dedication*

When we, the students of Decaturville High School began our voyage across the Sea of Knowledge, little did we realize how greatly our lives would be affected by the ship's crew. Our lives and opinions have been tremendously influenced by this stalwart band. Our problems have been their problems; our hopes and ambitions theirs. To show our gratitude for the many times they have helped us over the waves, have inspired and led us, we, The Rambler Staff most respectfully dedicate this edition of the 1965 Rambler to the Decaturville High School Faculty.
